

## OH ELOISA

Eloisa, Eloisa, what a grumpy wretched wheezer, you've become –  
You seem so numb  
Eloisa, Eloisa, is your heart in a deep-freezer? You're so glum –  
But come, come, come!  
Look at me I was like you  
And now I'm sadly destined to  
Drag round my gains  
On these great chains  
If you carry on this way then when you die, you'll have to pay and do the same  
And what a shame!

ALL: Oh Eloisa – money you can make it – but you know  
Oh Eloisa – no you cannot take it – when you go  
Oh Eloisa – do not throw away your – final days  
Oh Eloisa – time to change your ways!  
Oh Eloisa – money you can make it – but you know  
Oh Eloisa – no you cannot take it – when you go  
Oh Eloisa – do not throw away your – final days  
Oh Eloisa – time to change your ways!

ELOISA: You're not real. You're just a dream. Why should I listen to you?

Eloisa, Eloisa, love of money's a disease – a pox for sure  
I have the cure  
Eloisa, Eloisa, you must listen to me please – a scary sight  
You'll see tonight  
Three ghosts of Christmas then and now will visit you and show you how  
you must repent  
Your life misspent  
You'll see things you never knew and then you'll see what you must do –  
escape my fate –  
It's not too late!!!

ALL: Oh Eloisa – money you can make it – but you know  
Oh Eloisa – no you cannot take it – when you go  
Oh Eloisa – do not throw away your – final days  
Oh Eloisa – time to change your ways!

Oh Eloisa – money you can make it – but you know  
Oh Eloisa – no you cannot take it – when you go  
Oh Eloisa – do not throw away your – final days  
Oh Eloisa – time to change your ways!
